

## Instructions for use

- Attach castors to both cupboards.
- Place the table-top on top of the cupboards with the screw holes facing down. Line them up with the holes on both of the side cupboards.
- Both cupboard doors should be facing the same way.
- Using the screws supplied, screw in by hand.
- Next, tighten using the allen key.
- **TAKE CARE NOT TO OVERTIGHTEN AS THE SCREWS MAY COME OUT THE OTHER SIDE OR PUSH THROUGH AND BREAK THE SURFACE COVERING.**
